

3M Office Markets Product Information Sheet

Issue n°4 – July 2013

Super Sticky Post-it® Notes

The note that sticks around.

They are **100% PEFC certified products** made of high grade **100% PEFC paper**, coated on the back side **with the new 3M's unique repositionable adhesive made with renewable resource adhesive (60% made with non food plant that grows annually)** Everything about Super Sticky Notes is super.

They're:

- **Super-strong.** They stay up for longer
- **Super-versatile.** They stick to practically all surfaces
- **Super-stand-out.** Large sizes and bright colors really get your messages noticed

Post-it® 100% PEFC Certification :

Super Sticky Post-it® Notes are certified 100% PEFC products and they are manufactured with paper which contain **100% pulp certified PEFC** then Specifications require 70% minimum of pulp certified to obtain a 100% PEFC certification.

Super Sticky Post-it® Notes are coated with the new 3M's unique repositionable renewable resource adhesive (60% made with non food plant that grows annually)

Use renewable resource plant adhesive vs Petroleum based adhesive have advantages for a better ecological impact like

>>>> come from renewable resource material vs finished resource material

>>>> adhesive is produced from resources which are not harmful to the planet

Shelf Life

The minimum shelf life of Post-it® products sold by 3M Office Supplies Division is two years from the date of manufacture.

Storage Conditions

It is recommended that all Post-it® products be stored at optimum conditions (40-60% relative humidity and 15-26°C) when warehoused or on retail shelves.

Application conditions

Post-it® products are designed for indoor use. Post-it® products can be used in cold conditions to sub-zero temperatures, if applied at room temperature. They can be used in conditions as high as 48°C, but may fail in high shear applications at elevated temperatures.

Caution : Cleaning and conditioning products may affect adhesion
Colors may bleed when wet
Test before using

TECHNICAL CHARACTERISTICS

ADHESIVE	
Adhesive material 	Plant Based Repositionable Acrylic (60% renewable resource material)
PAPER	
Paper type 	Uncoated paper 100 % virgin pulp certified 100% PEFC
Paper bleaching	ECF type
Paper origin	US
Paper certification	100% PEFC
Paper weight	74 gsm
BACKSHEET	
Paper type	Printed cream uncoated paper 100 % virgin pulp
Paper bleaching	ECF type
Paper origin	US
Paper certification	100% PEFC
Paper weight	74 gsm
PACKAGING	
Primary pack	PP 25 Film
Shipper	Corrugated board with minimum of 70% recycled fibers
Pallet	Wood pallet + Stretch PEBD film

PEFC stands for **Program for the Endorsement of Forest Certification schemes**
PEFC certification is a transparent system of forest inspection plus a means of tracking timber and paper, from harvested tree through to the finished product

END USER BENEFITS

FEATURE (HAS)	AVANTAGE (WHICH MEANS)	BENEFIT (SO THAT)
Unique Super Sticky repositionable adhesive system	Sticks more securely to many more surfaces than most sticky notes	Can stick notes where they need to be to get noticed
	Eliminates need for tape, staples and paper clips	Saves money and time Reduces worry
	Removable, reusable	Easy to use
	Can be applied to a variety of surfaces without damaging them. No adhesive residue to clean up	Reduces worry Saves time
Multi-pack assortment of deep colors	Pleasing, attention getting colors in the office or home. Ability to use different colors for different needs. Color-coding option for prioritizing messages.	Notes get noticed Have fun, able to personalize notes More confidence
	Ability to share pads within an office	Saves money. Increases personal pleasure among co-workers.
Numerous size options	Correct size to meet user's needs.	Increases productivity
	Saves paper - use only the size/amount of paper needed to effectively communicate your message.	Improves quality of the environment
Printed lines	Allow for well spaced, neat writing	Improve communication with a well written note.
Larger size	Convenient for note taking, to-do lists and long messages	Easy to use
