

Material datasheet Lyreco Premium Products

Product Sticky notes in various colours

Lyreco Item Nos: 12953311; 12953322; 12953229; 12953231; 12953242; 12953253;
12953264; 12953297; 12953309; 12953333; 12953344; 12953275;
12953286

Facematerial	
Material description	Uncoated matt, woodfree paper, various colors, based on ECF/TCF pulp.
Printer suitability	n/a
Thickness	90 µm
Grammage	70 g/m ²
Adhesive	
Description	Ultra removable, acrylic, waterbased, sticky notes adhesive
Performance	solvent free, excellent resistance to UV-light and ageing, suitable for multiple use and repositioning, removable residue-free from almost all substrates high adhesive strength
Liner	
Description	n/a
Laminate	
Thickness	n/a
Grammage	n/a
Service temperature	+10 °C / + 30 °C
Min. application temperature	15°C
Opt. storage conditions	20 °C / 50 % RH
Physical parameter	
Whiteness(WI)	n/a
Opacity (%)	> 88%
Packaging	
Material	Carton Box made from recycled fibres
Recycling	
Face / liner	Paper is recyclable in normal household collection systems
Packaging	Carton is recyclable in normal household collection systems
