Arch Fit Work Shoe

Art nr: 1000004
Previous art. nr: 40010226
Supplier art.nr. 108019EC

 Women

Well-liked Work model from Skechers with Arch fit insole, specially designed to provide the best arch support, which helps to distribute the weight of your body, provide cushioning and comfort. The shock-absorbing midsole gives additional comfort and the heel is shock absorbing. The mesh upper has details in TPU, both at the toe section and at the loops for increased durability. The shoe has a textile lining, padded heel and a non-slip outsole. ESD approved.
