

Optimus High Insole

Art nr: 1001766

Supplier art.nr. Orthotic High

 Unisex

Experience all-day comfort and support with Monitor's orthopaedic insoles. Our insoles are created with care and expertise to provide a combination of cushioning, stability, and ergonomic support. The insoles feature an anatomically designed heel cup, dynamic arch support, and excellent gel cushioning, and are made of high-quality materials that can withstand daily use and provide you with long-lasting comfort. Optimus High has a high arch support. The insoles can be used in all Monitor safety shoes and professional footwear without affecting the shoes' CE approval. Sold in double sizes: 35/36, 37/38, 39/40, 41/42, 43/44, 45/46, 47/48.
