Post-it® Super Sticky Notes

The ideal solution for when
the info really needs to
stick

Post-it® Super Sticky Notes PEFC Certification :

>>> 100% of Post-it® Super Sticky Notes are certified PEFC products.

(*) *Post-it® Super Sticky Notes coming as finished goods from our USA factory are covered BY PEFC licence N°29-31-228*

(**) *Post-it® Super Sticky Notes converted and packed in our FRANCE factory are covered BY PEFC licence N) 10-31-1996*

Post-it® Super Sticky Notes are coated with the new 3M's unique repositionable renewable resource adhesive.

>>> The plant material used to make the adhesive is from a non-food plant that grows annually

>>>> The adhesive is minimum 60% plant-based material by weight

>>>> Using plant material in the adhesive reduces our use of petroleum

Shelf Life

The minimum shelf life of Post-it® Super Sticky Notes sold by 3M Office Supplies Division is two years from the date of manufacture.

Storage Conditions

It is recommended that all Post-it® Super Sticky Notes be stored at optimum conditions (40-60% relative humidity and 15-26°C) when warehoused or on retail shelves.

Application conditions

Post-it® Super Sticky Notes are designed for indoor use. Post-it® Super Sticky Notes can be used in cold conditions to sub-zero temperatures, if applied at room temperature. They can be used in conditions as high as 48°C, but may fail in high shear applications at elevated temperatures.

Caution : Cleaning and conditioning products may affect adhesion
Colors may bleed when wet
Test before using
