

NOBO PERFORMANCE MONTHPLANNER

VMN: 3048101

Nobo Performance

With a magnetic dry-erase surface, the undated Nobo Performance planners make updates easy. They are perfect for both short- and long-term projects, ranging from a week to a year. The planners come with handy accessories, including a set of magnetic rectangles, and can be easily customized based on your projects.

Features

- Easily customizable for short- or long-term planning.
- Magnetic, dry-erase writing surface for easy updates.
- Comes with handy accessories, including a magnetic planner kit.
