

Poly Blackwire 3220 Stereo USB-C Headset +USB-C/A Adapter(8X228AA)

Poly Blackwire 3220 Stereo USB-C Headset +USB-C/A Adapter - Replaces Poly SKU 209749-22

The Blackwire 3200 Series provides a great audio experience in a headset that's built for enterprise needs. Even better, people want to wear it - so your investment pays off. With a sleek design and flexible microphone boom for a customizable fit, what's not to love? Plus, it sounds as good as it looks. Enjoy the high-quality audio you expect from Poly.

Key Selling Points

- Keep your connectivity options open
- Get more done with the all-day comfort design
- Ramp up UC adoption thanks to fast setup

Product Features

Superior audio quality

Enjoy a truly outstanding sound experience - ideal for voice, music and multimedia. The Blackwire 3200 Series offers PC wideband, noise-canceling microphone and Hi-Fi stereo sound options. Dynamic EQ optimizes call quality and automatically adjusts the settings when you're listening to multimedia.

Advanced connectivity

Ideal for managing calls on PC, mobile phone or tablet. Combine the comfort and durability of a corded headset with greater flexibility - all at an entry-level price point.

All-day comfort and portability

Relax while you talk knowing your headset is secure - lightweight metal headband offers durability plus a custom fit. Leatherette ear cushions fold flat for easy portability. It even comes with a convenient carrying case so you can take it with you wherever you go.

Easy to set up

Get everyone on board fast with simple deployment plus customizable settings. Plantronics Hub for desktop lets you select your language and features, and the latest firmware keeps your device up to date. Plantronics Manager Pro gives IT teams remote management, headset inventory and usage monitoring.
