

Hama "DR1001BT" Digital Radio, FM/DAB/DAB+, black

Digital Radio

23054296

- Listening pleasure with state-of-the-art technology: hiss-free and digital with DAB/DAB+, but also with conventional UKW (FM) reception
- The four direct selection buttons allow you to store your favourite stations and find them without searching
- Extra-large 4.3" TFT colour display for the clear presentation of information
- Start the day with your favourite station and two alarm memory slots: it can be set for both wake-up times whether the alarm is to sound only once, daily, on work days, on weekends or only on specific days
- For everyone who wants to simply listen to the radio: with control dial and large buttons for intuitive operation
- Thanks to the Bluetooth receiver (RX), you can easily stream music from your smartphone, tablet, notebook and PC to your device
- Intuitive operating concept with large buttons and clear, spacious arrangement without nested menus, making it also suitable for older or mobility-impaired people

FM/DAB/DAB+

- Noise-free listening pleasure with an extensive array of DAB+ stations
- Multiple stations can be received nationwide along with a range of regional radio stations in digital quality

Technical information

- Balanced sound via a mono loudspeaker
- Pull-out extendable antenna
- Automatic time synchronisation via the radio network

Miscellaneous:

- Choice between alarm and radio station
- Quick-select function for switching the alarm off and on
- Languages supported: EN, DE, NL, FR
