

Kensington SmartFit® Easy Riser™ Laptop Cooling Stand

Our patented SmartFit® System allows you to customise the height and angle of your laptop screen. Using a hand chart (included) to find your personal comfort colour, you can easily set the optimal height for your neck, back and eyes. Meanwhile, the Easy Riser™ lifts your laptop off your desk, promoting airflow to improve the performance of your laptop's battery and other components.

Attributes

- SmartFit® System lets you easily adjust monitor height to your personal comfort colour for optimal ergonomics
- Fits notebooks 12" to 17"
- Padded inserts provide a secure, stable fit and keeps your laptop in place
- Up to 50 degree tilt angle for maximum flexibility
- Folds flat for convenient portability
- Increases air circulation to keep your laptop cooler, improving the performance of the battery and other components
