

FRANKEN U-Act!Line® Steel Magnetic Whiteboard 60x40cm

U-act!Line® stands for eco-friendly values and awareness. Unleash your imagination with this steel magnetic whiteboard, with 14mm anodised aluminium frame. Can be used landscape or portrait to fit your needs. Recommended for regular use, this dry erase whiteboard is perfect for notes and meetings and comes with a 12-year guarantee. With a whiteboard pen tray and wall mounting kit included. Franken U-Act!Line® products are produced of recycled and organic materials whilst maintaining excellent quality, durability, impeccable design with the consumer benefits of environmental friendliness and value for money. The FRANKEN U-Act!Line® offers all of this: The products are manufactured from more than 60% reprocessed industrial waste and are 99% recyclable. For the production, only environmentally compatible materials as well as renewable resources are used. The European production reduces transportation routes, and the production process is certified according to ISO 14001. You instantly affect your personal "carbon footprint" by your buying patterns. FRANKEN offers you the right products from U-Act!Line® - now it is up to you. It's that easy. Size 60x40cm.
