

VEO Wall/Desk

Vision, Elegance, Organisation

A new generation of display systems, by Tarifold...

VEO displays, protects and organises all your important documents.

VEO is giving you more time, less stress and better day-to-day efficiency.

A combination of good looks and high-quality materials...VEO should be used everywhere paper information must be enhanced: offices, reception areas, shops, public areas...

Easily extend from 10 to 20 pockets.
Just add a wall unit.
Desk units can be infinitely extended, by adding a wall unit and another desk unit, and so on...
Display up to 20 A4 sheets and more.

Incredibly simple set up: one click, no tools.

Aluminium alloy base in black soft grain finish. Excellent stability.

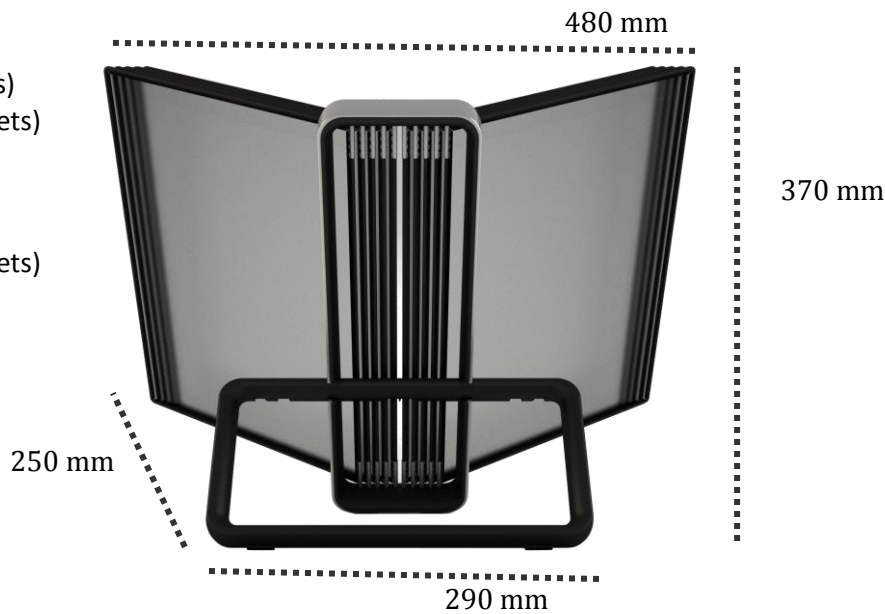

10 Polypropylene pivoting pockets included. Steel pivots.

Weight (VEO desk) :
1300 gr (with pockets)
950 gr (without pockets)

Weight (VEO wall) :
738 gr (with pockets)
388 gr (without pockets)

VEO and the environment: a 100% reusable packaging !

The VEO packaging converts into a nice storage box. On top of being useful, it also is environment-friendly (400gr).

Made of recyclable polypropylene. Steel reinforcements.
