Logitech H150 Stereo Headset

Enjoy crisp, clear internet calls and music from your PC

Versatile and adjustable, the H150 Stereo Headset is a good choice for computers that use separate 3.5 mm microphone- in and audio- out ports. Adjust volume or mute calls using in- line controls. The noise- cancelling microphone reduces background noise; wear it on the left or right and tucked it out of the way when not using it.

WHAT'S IN THE BOX

- Stereo headset
- User documentation
2-year manufacturer's guarantee

FEATURES

- STEREO SOUND
- ROTATING MICROPHONE
- IN-LINE CONTROLS
