

Floor cleaner EASY

General

Freshly scented cleaning and maintenance concentrate.

Leaves a shiny and self-care polishable film, no layer build-up.

Meets DIN 18 032, section 7.5 " Gleitsicherheit ".

For all water-resistant coated and uncoated floor coverings.

Application areas

For all washable floor coverings like plastic, PVC, linoleum, Colovinyl, natural and synthetic stone, rubber and epoxy resin.

The floor cleaner EASY is a product for versatile applications:

- economical wet mopping
- thorough spray cleaning
- automatic scrubber use.

Instructions for use

Wet mopping	Add 40 - 80 ml to 8 l water. Apply solution with a wet mop, allow to act briefly, remove soiled solution and allow floor to dry. Buffing increases the protective film's shine and tread resistance.
Spray cleaning	Use undiluted or 1:1.
Spot spray cleaning	Spray product onto the soiled floor areas and treat with a single disc machine and buffing pad. After a short time, buff the cleaned surface areas.
Full spray cleaning	Clean large surfaces in lanes of 2 - 2.5 m width by spraying the product evenly onto the floor. Treat the sprayed section with a single disc machine, and then buff.
Automatic scrubbers	40 - 80 ml to 8 l water.

Special advice

Not suitable for unsealed wood and unsealed cork floors.

The manufacturer declines all responsibility for damages from improper product use.
