High standard of quality and consistency. Clairefontaine paper, superior quality manufacturing, from pulp from sustainably managed forests and bleached in neutral PH, Bristol Exacompta cards are the asset of your success.

Rigid and practical, these bristol cards allow multiple use and writing comfort, they will be perfect for your practical work, note cards, messages, memos, learning cards, course summaries

Dot prints or rulers are small dots that guide writing more discreetly than lines or grids, while helping to make diagrams, drawings, rounded graphics, etc.

The cards can be used vertically or horizontally for a wide variety of uses in school, the office or at home. The package of 100 cards is filmed with an insert. Easy to identify thanks to its colour code

100% French manufacturing, raw materials and finished products come from the factories of the Exacompta-Clairefontaine Group.
