

NEUTRALREINIGER EASY eco

General

Concentrated washing-up liquid and versatile degreaser. Gentle, neutral and economical. For gloss-clear dishes without drying up. More than a washing-up liquid: can be used wherever water is used for cleaning. Well-foaming. For manual use.

Application areas

Buildings	Floors, stairs, synthetic surfaces, lacquered and painted surfaces, tiles.
Kitchen	Kitchenware, crockery, glassware, sinks, tiles, tables, cupboards, hob surfaces, refrigerators, doors, door and window frames, kitchen equipment.
Bath / toilet / shower	Bath tubs, toilet bowls, washbasins, tiles, fittings.

Dosage

Light soiling:	10 ml per 10 l water
normal soiling:	20 ml per 10 l water
Heavy soiling:	50 ml per 10 l water

Adhere to the dosage instructions. Correct dosing reduces water consumption and water pollution.

Instructions for use

Manual application.
Allow to act when treating stubborn soiling.

Special advice

Wash walls from the bottom to the top to avoid water streaks / runs.
Test the colourfastness of lacquered or painted walls and surfaces in an inconspicuous place before use.
Dispose of the contents / container in accordance with local / regional / national / international regulations.
The manufacturer declines all responsibility for damages from improper product use.
