The double-point micro-embossing gives them a thickness and a hold conducive to your folding preferences. Their 20x20cm format is ideal for use with cocktails, standing or seated dinner aperitifs or for decorative settings under glasses.

These napkins are FSC®-certified (FSC-C002321). By choosing this product, you are supporting responsible management of the world's forests.

These products are made in France and certified compliant with food contact. The ink does not bleed or discolour in the light.
