## Specification

**Brand :** Pronappe

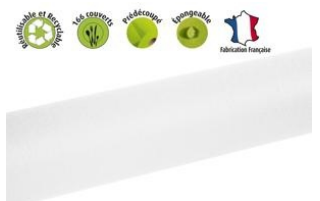

**Packaging :** Rouleaux

This spunbond tablecloth is tear-resistant, water-repellent and wipeable. This product will allow your tables and buffets to remain intact for a long time. The high-end effect will highlight your tableware and decoration in restaurants or at home, for all occasions: birthday parties, banquets, weddings, baptisms, etc.

This non-woven material offers a perfect drape that's similar to fabric.

Vibrant colours within the range match with our micro-embossed wadding napkins, offering a completely refined and coordinated look for your table settings.

These products are made in France. Deep dyed so the ink does not bleed or discolour in the light.
