The Pro Nappe brand offers tableware products: tablecloths, napkins, plates and cups in bright, trendy colours to ensure your guests are welcomed in style.

Our 2-ply napkins offer maximum comfort and give your table the elegance it deserves, whether in a restaurant or at home, for all occasions: birthday parties, weddings, christenings, Christmas. The double micro-embossing gives them a thickness and hold that is ideal for folding.

Their 20x20cm size is ideal for use at cocktail parties, standing or seated aperitifs, or as decorative place settings under verrines.

These FSC®-certified napkins are sourced from responsibly managed sources.

Products manufactured in France and certified food contact compliant. The ink is suitable for use and does not run or fade in the light.
