

Handcrèmeseife rosé easy

General

Mild, caring, creamy hand soap with discreet fragrance.

Thanks to its select care ingredients and neutral pH-value, the product is suitable even for frequent hand washing.

The skin is prevented from drying out.

Application areas

for frequent hand washing

Dosage

use undiluted with a soap dispenser

Special advice

The manufacturer declines all responsibility for damages from improper product use.

Technical data

Storage stability: at least 2 years

pH value concentrated: 6.5
