

# TOILETTENREINIGER EASY

## General

Viscous liquid cleaner for the effective and quick removal of lime scale deposits and urine stone. For all toilet bowls and urinals. Good cleaning effect also on other dirt. Adheres to vertical surfaces. Pleasant fragrance.

## Application areas

For all toilet bowls and urinals.

## Dosage

Splash undiluted onto lime scale deposits, water streaks and under the toilet bowl rim and scrub with a brush. For cleaning drains, put 1 – 2 dl into the water, mix with a brush, allow to act 1 – 2 h, then brush again and rinse.

## Instructions for use

It is recommended to apply the product with a spray bottle with an angled spray jet. Treating the deposits mechanically with a brush accelerates the cleaning process.

## Special advice

Do not bring into contact with eyes or skin. Splash or wash immediately with plenty of water. Wash splashes on textiles with water.

Do not use on natural stone (slate, travertine, Solnhofen, marble) and artificial stone (terrazzo).

The manufacturer declines all responsibility for damages from improper product use.
