

Model: MAXTRA+ Pack 3

Innovative MAXTRA+ MicroFlow Technology ensures much more powerful water filtration* for cold and hot drinks and for cooking:

- New Formula: 25% better taste*
- Cleaner, fresher tasting water
- New and Modern Design
- New BRITA MicroFlow Technology powered by natural coconut shells for even more powerful filtration
- Micro Carbon Pearls lock away taste and odour impairing substances such as chlorine in its millions of pores for great tasting water
- Ion-Exchange Pearls ensure reliable protection from limescale build-up and thus prolong the life of domestic appliances
- Full flavour and great tasting tea and coffee
- Permanently absorbs metals such as lead and copper for wellbeing
- Ideal for cooking healthy food
- Economic and convenient

* compared to MAXTRA cartridge, based on internal tests
