Tough chemical protection unparalleled comfort

PRIMARY INDUSTRIES

IDEAL APPLICATIONS

- Maintenance and equipment cleanup
- Mounting & dismounting parts
- Petrochemicals
- Blending, compounding materials
- Handling aerospace equipment & parts
- Handling unexpected leaks, spills or other releases
- Routine & experimental testing
- Sample taking & lab processing
- Transferring liquid & solids
- Handling of painting tools including spray guns and robots

DESCRIPTION

- Three layer design for superior protection against harsh chemicals including acids, solvents and bases
- Thin mil construction provides enhanced tactility and dexterity
- Extra soft material and ergonomic design for outstanding fit, feel and flexibility for longer wear time
- Lower acceptable pinhole rate (0.65 AQL) and extended cuff for reliable protection against hazardous substances
- Silicone free formulation and processing ensure better product protection
