

## MROS307

MediaRange Wireless ENC Stereo Headset with rotatable microphone arm, Function Buttons, Rechargeable 400mAh Battery, 2-Device Pairing (BT Ver. 5.2), Black

**Reliable audio solutions from MediaRange – perfect for work, entertainment, and everyday use.**

MediaRange headsets combine outstanding sound quality, modern features, and long-lasting comfort. Whether you are making calls, enjoying music, or participating in online meetings, our headset ensures clear communication and immersive audio.

Thanks to Bluetooth 5.2 and the included USB receiver, you can easily pair up to two devices and switch seamlessly between them. The multifunction buttons let you control music, calls, and voice assistants effortlessly. With up to 55 hours of playback time or 35 hours of talk time, this headset is ideal for professional use as well as personal entertainment.

The soft ear cushions and lightweight design provide all-day comfort, while the 270° rotatable microphone arm allows flexible use with one-click mute function. Rechargeable via USB-C, the integrated lithium-polymer battery guarantees long performance with a standby time of up to 300 hours.
