Leviatan-Poligrafia Sp. z o. o.

ul. Rudawka 88

43-300 Bielsko-Biała, Poland

is in compliance with the applicable requirements for cosmetic products placed on the European Union market, in particular with Regulation (EC) No 1223/2009 on cosmetic products.

We further confirm that:

1. the product has been subject to a cosmetic safety assessment and a Cosmetic Product Safety Report (CPSR) has been prepared;
2. the product composition is documented by the INCI listing and the product is labelled in accordance with applicable legal requirements;
3. the product has been notified in the CPNP before being placed on the EU market;
4. the product is manufactured in accordance with Good Manufacturing Practice (GMP) applicable to cosmetic products (in line with ISO 22716 or equivalent internal GMP procedures);
5. the necessary product documentation is maintained and available to the competent authorities as required by applicable law;
6. supporting documents and/or test reports are available upon request, including e.g. dermatological, microbiological, stability and compatibility tests.

This declaration is issued at the request of the customer for commercial and compliance purposes.
