

MAUL Magnetic Clip S

- Automatic holder for paper, sheets or material
- For information which should be in view
- Documents only have to be pushed into the clips and they snap shut themselves
- They cannot get lost as opposed to magnets

For information which should be on view, e.g. drawings, reminders, instructions, photos. For the office, garage or company. They cannot get lost as opposed to magnets. Advantage: documents only have to be pushed into the clips and they snap shut themselves, thus allowing large documents to be affixed by one person. Guarantee: 3 year.

Self-adhesive, detachable and reusable. Magnetic snap device. 3,6 x 4,0 cm. PU = 10 pieces per box.
