PL - Paper Color Range

Except White & Light Yellow Grade

Technical Bulletin

Characteristics:

1. *Paper colors :* pastel, neon and ultra paper colors.

2. *Paper weight* : 70 to 72 g/m² (depending on the color).

3. *Paper type* : 100 % virgin paper.

4. *Paper bleaching* : **ECF** type.

5. *Backsheet :* printed white paper - 70 g/m²
   Paper is 100% virgin - Paper bleaching is **ECF** type.

6. *Environmental labelling of this product* : paper & backsheet are made preferably with paper pulp coming from forests with sustainable management (FSC, PEFC)

ECF stands for **E**lemental **C**hlorine **F**ree meaning that no Cl_2 is used for bleaching the pulp (Cl_2 is a very strong oxidizing agent which has negative effects on the environment).
