

HORGIAN

Giant wall clock

Highlight your wide workspace/ passages with this giant clock for a perfect visibility of the time.

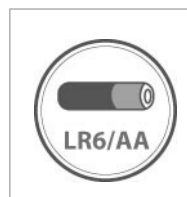

Easy to see time thanks to the black figures on the white background (60 cm diameter)

High precision quartz movement

Works with a battery LR6/AA (not supplied)

This large quartz wall clock is perfectly adapted to open spaces and wide working areas. Thanks to its 60 cm frame, large black numerals, and a quartz mechanism, the Giant clock will tell you the time with precision.

Combining style and elegance, this large clock with a modern and stylish design will fit perfectly in your workspaces.
