SUSTAINABLE PRODUCT ADDITIONAL INFORMATION SHEET

At Lyreco we want to provide our customers with the information they need to make the best choice. This product and/or its packaging has been considered sustainable. All products go through a regular assessment to determine if the products are Great for the People, Great for the Planet or if their packaging can easily be reused or recycled. This sheet provides our customers with a bit more detail of why this product has been classed as sustainable.

This product has this sheet as its packaging is also considered sustainable. To achieve this, the product packaging is:

- Compostable, degradable and can go through anaerobic digestion processed like food waste can.
- 100% recycled easily (i.e., through typical recycling waste streams and or a Lyreco recycling service).
- Can be reused and returned to Lyreco on our next delivery
- Made up over 30% recycled material.
