

SCALEZAP 360° Foam

A heavy-duty foaming cleaner that removes limescale and mineral buildup from toilets, taps and all washroom surfaces.

What makes it different?

Our powerful, customisable formula outperforms leading market solutions in removing stubborn limescale. The convenient powder-and-scoop system lets users adapt the product to their specific cleaning needs, delivering maximum effectiveness every time.

Benefits

- ✓ 3-in-1 complete washroom solution:
 - 1 scoop:** daily housekeeping
 - 2 scoops:** weekly descaling
 - 3 scoops:** legacy scale removal
- ✓ Long lasting descaling and deodorising
- ✓ Ultra-thick, high-cling foaming formula for maximum descaling power

Where can I use it?

- ✓ Sinks, toilets, urinals, showers and baths
- ✓ Pipework, fixtures and fittings
- ✗ Not for use on natural stone

What does it remove?

- ✓ Limescale & watermarks
- ✓ Stains & organic deposits

How do I use SCALEZAP 360° foam

1 Transfer 1, 2 or 3 scoops into the bottle, depending on requirements

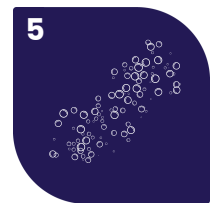

2 Carefully add warm water to shoulder of bottle, avoiding foaming

3 Shake for 30 secs. Once dissolved, product is ready to use

4 Apply under toilet rim, on fittings, shower heads & surfaces

5 Leave to dissolve limescale, watermarks & stains
