

Faithfull (FAITDLS2T2M)

# Lifting Sling Green 2 Tonne 60mm x 2m

Faithfull Lifting Slings are made from 100 PES polyester duplex webbing that is lightweight but extremely durable for use on awkward loads offering a soft alternative to wires and chains. All sizes can be used in straight pull basket or choke configurations. Fitted with a reinforced sleeved lifting eye. Meets the requirements of EN 1492 Part 1 2000. Minimum breaking load is 7 times the Working Load Limit. The Faithfull Green Lifting Sling has the following specifications: Max Load 2 Tonne
