

# EcoTank ET-3750

## DATASHEET / BROCHURE

This next generation EcoTank is a fast 3-in-1 with 30 page automatic document feeder (ADF). It can reduce ink costs by 90% on average<sup>1</sup>.

Shrink your overheads with Epson's cartridge-free EcoTank, which can reduce ink costs by 90% on average<sup>1</sup>. Delivering an ultra-low-cost per page, it can print 14,000 pages in black and 11,200 in colour<sup>2</sup>. This 3-in-1 inkjet with Wi-Fi and Wi-Fi Direct features fast 15ppm<sup>4</sup> print speeds, double-sided printing, a 150 sheet front tray and a 30 page ADF.

### Ultra-low cost

EcoTank can slash ink costs by 90% on average<sup>1</sup> thanks to its innovative design. It features an ultra-high-capacity ink tank that removes the need for cartridges. This model comes with an additional set of ink bottles.

### Print thousands of pages

Get more prints between refills. Thanks to the ink included in the box, it can print 14,000 pages in black and 11,200 in colour<sup>2</sup>.

### Discover the next generation of EcoTank

With the ink tank now housed at the front, EcoTank is more compact and easier to use than ever before. Protecting you against leaks and spills, it features an enhanced ink filling system engineered for mess-free refills. The new bottles also incorporate a mechanism to ensure that only the correct colours are inserted.

### Business quality features

Produce crisp and clear texts thanks to the PrecisionCore printhead and Epson's dye and pigment inks. Designed for business, it offers a 150 sheet paper tray, double-sided printing, fast print speeds of 15ppm<sup>3</sup> and a 30 page ADF. Providing peace of mind, it's also backed by a one year warranty.

### Print from almost anywhere

With Wi-Fi and Wi-Fi Direct, you can send documents to print from smart devices using the Epson iPrint<sup>4</sup> app. It can even receive files from almost anywhere in the world via Epson Email Print<sup>4</sup>.

## KEY FEATURES

Included	14,000 pages*	11,200 pages*
Replacement	7,500 pages*	6,000 pages*

\* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 with replacement sets of ink. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.

1. Average number of cartridges/savings for printing the number of pages using the bundled ink bottles with the EcoTank range, excluding hardware price. Comparison made on the average of the A4 EcoTank range versus the average of the top 10 best-selling models in Western Europe, in the period January 2017– December 2017, as tracked by GfK. Printing costs calculated on the proportion of Standard and XL cartridges as tracked by GfK for the same reference period for the Western European market, using average retail prices. Ink cartridge yields as communicated by the manufacturer's websites.

2. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.

3. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit [www.epson.eu/testing](http://www.epson.eu/testing)
