Activate your potential

Work your way with a stylish, comfortable headset designed for the demands of today's hybrid workplace with ANC and superior stereo sound. Enjoy an audio tool that adapts seamlessly in the office, on-the-go, or while working remotely.

Experience flexibility and comfort, with a discreet boom arm design that folds neatly away into the headband and plug and play device connectivity. Add smart audio technologies and you get a convenient audio solution that helps boost your productivity.

Microsoft Teams certified and optimized for UC

Get a seamless user experience from variants optimized for UC and certified for Microsoft Teams with a dedicated Teams button

Call quality meets stylish design

Guarantee business grade communication with a discreet boom arm, which folds away simply for a stylish look when out and about

Concentrate wherever you work

Thanks to ANC, comfortable ear pads and stereo sound, you can focus without disruption whatever your workspace

Plug and play device connectivity

With the 3.5 mm jack USB-A or USB-C connectors, versatile workers on the move and in the office get simple, reliable functionality

Enjoy enhanced comfort

Newly designed, large on-ear leatherette or foam earpads provide great comfort and noise damping
