

PRODUCT NUMBER: 1005041

### MN10 Miller Aluminium Tripod

Miller aluminium tripod, 2 anchorage points, self locking, fully adjustable legs with rubber feet, complete with one pulley, height 2.10m

## Overview

**Reference Number**

1005041

**Product Type**

Fall Protection

**Range**

Tripods

**Brand**

Miller by Honeywell

**Industry**

- Telecoms
- Utilities

**Product Use**

Aluminium Tripod Confined Space

The Miller tripod used in conjunction with the Miller fall arrest blocks and winches, form the core of a stable and secure confined entry / rescue system.

Suitable for use on manholes, tanks, hatches and other below-ground work and confined spaces.

2 anchorage points and adjustable and lockable legs.

Rubber Protection

Stainless steel pulley included

## Features & Benefits

### Feature

Two anchorage points. Supplied with one pulley.

### Benefit

Easily installed by one person, the self-locking, fully adjustable legs lock securely in place thanks to the automatic pins. No chains are needed to secure the feet, which greatly reduces the risk of tripping.
