

PRODUCT PROFILE

edding 8000 freeze marker

Product text

- Freeze marker for frost-resistant permanent labelling of freezer bags and containers
- The round nib has a stroke width of 1 mm
- The ink is frost-resistant to -25°C, and is waterproof, smudge-proof, quick-drying and low odour
- Available in the colour black

Target group

- Professionals e.g. in industry, public health or laboratory who need specialised markers with outstanding attributes for different materials and surfaces within the cold storage
- Users who need to deliver a professional result
- Female consumers, households with children
- Consumers who place value on a tidy and well structured home

Benefits for the consumer

- Clear recognition of the content and the expiry date
- Fine nib of the freeze marker allows marking and writing on limited space
- Cap can be stored on the end of the barrel to prevent risk of losing it
- Practical clip prevents rolling away and can be secured on clothes and objects
- High-quality brand product
- Made in Germany
