TOP-NOTCH FEATURES. BOTTOM-LINE VALUE.

The Plantronics Blackwire 315/325 USB headsets are a simple-to-use, comfortable, and durable option for organisations seeking high-quality, entry-level UC devices. With outstanding audio quality, flexibility with choice of USB or 3.5mm connectivity, and comfortable leatherette ear cushions and lightweight headbands, they deliver top-notch features — and bottom-line value.

SIMPLICITY MEETS DURABLE DESIGN

- Easily manage calls from PC, smartphone or tablet with USB or 3.5mm connectivity
- Ultra-soft leatherette ear cushions fold flat for easy storage and portability in the included carrying case
- Lightweight metal headband offers durability and a customisable, comfortable fit
- Intuitive inline controls to answer/end PC calls, control volume, and mute
- Smartly placed indicator lights and helpful audio alerts give user PC call, mute, and volume status

OUTSTANDING AUDIO QUALITY

- Wideband audio with noise-cancelling for high-quality PC telephony
- Dynamic EQ feature automatically adjusts audio for voice or multimedia use
- Noise-cancelling microphone filters out background sound
- Enhanced Digital Signal Processing (DSP) provides more natural voice sound
- SoundGuard technology provides protection against audio spikes
