

GLASS & STAINLESS STEEL CLEANER

GLASS & STAINLESS STEEL CLEANER

- Glass & Stainless Steel Cleaner cuts through grease and grime.
- Provides a smear free finish.

HOW TO USE

1. For sparkling clean surfaces spray on surface.
2. Wipe dry with a soft clean absorbent cloth or paper towel before the surface dries. Be sure to turn the towel while cleaning.

Causes of streaking: too much or too little applied to the surface, cloth or towel contaminated. Cloth or towel is synthetic material and not absorbent. Rinse and repeat.
