Reusable ear plugs

Feature	Pre-shaped and pre-formed with tapered smooth fins.	Flat attenuation.	Corded.	Comes with storage box.	Washable.
					
Advantage	Fits the natural shape of the ear canal with no need to touch the part which goes into the ear.	Excellent speech recognition.	Increased security and convenience when not in use.	Hygienic storage when not in use.	Can be cleaned easily using soap and water.
Benefit	Reduced pressure for long term wear and provides a comfortable seal against unwanted noise.	Allows the wearer to communicate and hear without removing the plug.	Reduced risk of contamination for people moving in and out of noise areas.	Reusable and reduced risk of contamination.	Increased hygiene and reduced costs.
