

Rubbermaid

Commercial Products

Even the cleanest washrooms are subject to unavoidable odours.

TCell 1.0 is a discreet and effective passive air freshening system for an all day, every day fresh environment.

Wide range of 13 customer-preferred fragrances that lasts for 60 or 90 days without the use of batteries.

In contrast to competitor products, TCell™ 1.0 maintains a consistent output of fragrance over the full life of the refill.

TCell™ 1.0 advantages

- Only TCell 1.0 is engineered for continuous fragrance dosing for a full 60 days. TCell 1.0 delivers 44% more fragrance on day 60 (vs. other passive systems*)
- Cost-effective air care solution that instantly enhances the image of any environment
- Environmentally preferred solution with no propellants or added VOCs
- Natural airflow distributes the fragrance throughout the space, covering up to 169 m³

Features and Benefits

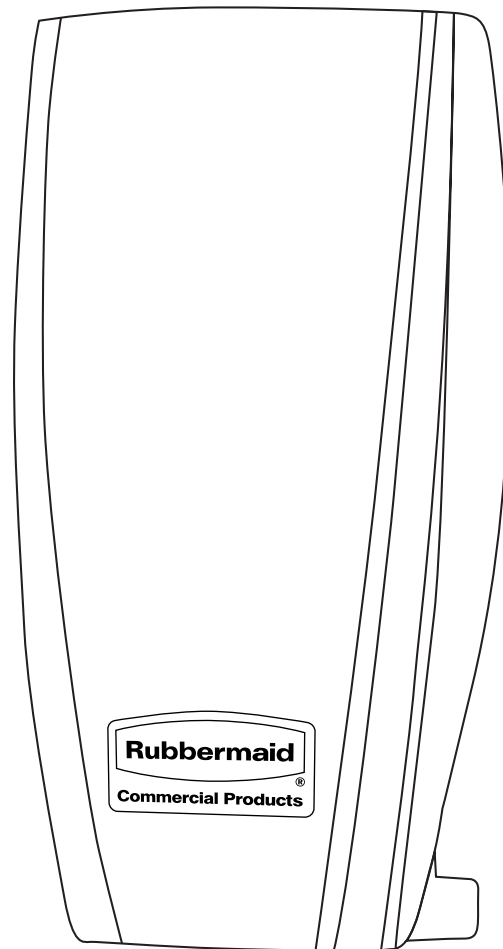

- Battery-free, passive air care solution
- High-quality, long-lasting designer fragrances that customers will love
- Silent and discreet operation
- No programming, easy to use
- One dispenser covers 3 to 4 toilets/urinals (up to 169 m³)
- Modern and compact dispenser design available in 3 colours (white, black, chrome)

User-preferred fragrances for any environment

- Wide range of 13 clean and fresh designer fragrances representing consumer-preferred fragrance families with different intensities
- TCell 1.0 maintains a subtle and effective dose of fragrance that is sure to leave customers with a positive washroom experience.
