

Universal 4.8A USB Car Charger For Tablets and Phones - Black

APD751EU

Description

This high power car charger enables you to simultaneously charge two larger devices, such as tablets, on the move. So you can charge your devices between meetings or keep children entertained in the backseat. Most car chargers will only support full charging of phones. This Targus charger is powerful enough to support phones and tablets and with 12v/24v compatibility it works in cars & lorries.

Features

- Powerful car charger enables you to charge two tablet devices over USB-A - 4.8A delivery (through two 2.4A outputs)
- Designed for high drain tablets and phones (including iPods, iPhones and iPads)
- Compact design - easy to stow when not in use
- Blue LED light confirms the plug is engaged
- Fits standard 12V & 24v vehicle power outlets
- 2-year warranty
