

# Blu Tack Glu Dots

## REMOVABLE PRESSURE SENSITIVE ADHESIVE DOTS

Date: 20 February 2015

Fact Sheet No.: TDS00526

### YOUR SMART ADVANTAGES

- Instant bond
- Double sided
- Acid and lignin free

### USES

Ideal for arts & crafts, scrap book work, card making, collages and model making.

Perfect size to allow for precise and accurate placing of small objects such as sequins, beads, rhinestones, wiggly eyes and many other craft embellishments

Blu Tack Glu Dots Removable are acid and lignin free. Before using this product refer to the relevant Health & Safety Data Sheet.

### PRODUCT CHARACTERISTICS

Colour	Transparent
Form	Sticky adhesive dots
Specific Gravity	1.0 approx.
Composition	Hydrocarbon Polymer
Solids Content	100%
Odour	Nil
Product Code	805828 4 sheets of 16 dots x 12 805378 200 dots on a roll x 6
Storage/Shelf Life	24 months, unopened, from date of manufacture. Store in dry conditions between +5°C and 25°C.

### DIRECTIONS FOR USE

Before using Blu Tack Glu Dots Removable refer to the relevant Health & Safety Data Sheet, available at [www.bostik.co.uk](http://www.bostik.co.uk)

### PREPARATION

1. The surfaces must be clean, dry and free from any dust or loose matter.
2. For best results surfaces and surroundings should be pleasantly warm.
3. Take out a sheet of dots from the wallet.
4. Fold and then tear off, along the perforations, to remove as many dots as are required.

### APPLICATION

5. Peel off the printed release paper to reveal a glu dot left on the clear backing. The glu dot is now ready for use.
6. Press the glu dot firmly onto the item to be bonded and then slowly and carefully peel off the clear backing.
7. The glu dot will be adhered to the item, which can now be bonded to the other surface.

### CLEANING

8. Carefully and very slowly peel away

### PRECAUTIONS IN USE

For health and safety instruction, first aid measures and spillage and disposal instructions, see separate Health and Safety Data sheet for Blu Tack Glu Dots Removable.

This disclaimer is issued by Bostik Limited ("the Company") and applies to the use of any products supplied by the Company ("the Products") displayed on this Technical Data Sheet ("TDS"). Please read this disclaimer carefully before using any of the Products. Using this TDS and/or the Product constitutes your acceptance of this disclaimer. Its contents shall prevail over any directions of use and any disclaimer and/or exclusion or limitation of liability of the Company which may appear on the packaging of the Products.

This disclaimer sets out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to any user of the Products ("Product User") in respect of any use made or resale by the Product User, of any of the Products in this TDS.

This disclaimer does not affect the Company's liability for death or personal injury arising from the Company's negligence in respect of the Products, nor its liability for fraud, or fraudulent misrepresentation, nor any other liability which cannot be excluded or limited under applicable law.

The Company's total liability however arising and whether caused by tort (including negligence and breach of statutory duty), breach of contract or otherwise, arising in connection with the use made or resale by the Product User of any of the Products in this TDS shall be limited to the price paid for the Product by the Product User.

The Company shall not be liable to the Product User for any pure economic loss, loss of profit, loss of business, depletion of goodwill or otherwise, in each case whether direct, indirect or consequential, or any claims (including in respect of personal injury insofar as not caused by the Company's negligence) for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the use made or resale by the Product User of any of the Products in this TDS.

The Company shall not be liable to the Product User in relation to any loss for any use which is inappropriate or use which is otherwise than in accordance with the relevant instructions for use of the Products in this TDS or on the Product. Product Users are advised to confirm the suitability of the Products by their own tests.

This TDS covers just one of a large range of products supplied by the Company.

Full information on these products and advice on application is freely available from our fully trained staff throughout the country. In addition, specialist technical advice is available from our Technical Services Department. This TDS supersedes all previous TDSs relating to the Products, and users of it must ensure that it is the current issue. Destroy all previous TDS, and if in any doubt, contact the Company, quoting the code number in the top right hand corner on the front of this document.
