Product description

SOL is a lamp equipped with a flexible arm that allows you to easily orient your head in any direction. Its timeless design combines sobriety and modernity: the shape of the head promotes the optimal diffusion of lighting on the worktop. ON/OFF switch on the cord.

Product features

- Energetically efficient: this lamp consumes 75% less energy than incandescent lighting and 35% less energy than fluorescent lighting for the same level of brightness.
- Available in 4 colours: black, white, red and blue
- Materials: head and base in ABS plastic / metal arm with rubber surface
