Product description

More than just a desk lamp, STRATA is a new generation of ergonomic desk lamp. Equipped with a high efficiency asymmetrical LED lighting for a low consumption, its innovative design allows a great light amplitude and a customized lighting. Ideal for 1 or 2 screens, STRATA also adapts to any type and size of screen and will fit perfectly into your office environment.

Product features

- Modern design lamp : its innovative, slender, airy and refined design will sublimate your office interior.
- Variation of light intensity and color temperature : on its head, two touch switches allow to vary the light intensity and another to adjust the color temperature. Adapt your lighting according to your activity (rest, reading, work).
- Intelligent : depending on the ambient light of your workspace, the lamp adapts its light for a better visual comfort, thanks to its brightness sensor.
- Materials: steel pliers (max. spacing 8 cm)/ aluminium and metal arms with rubberised surface/ aluminium head
