

Renegite 1 carton (4 x 15 sachets of 50 grams)

article number 7.190.101.212

Description

Renegite descales all coffee machines and hot water dispensers from Bravilor Bonamat; from our automatic espresso machines to our quick filter machines. Regular descaling contributes to the lifespan of your coffee machine and preserves the flavour of your fresh coffee. Follow the instructions at the packaging and in the user manual of your coffee machine to use Renegite.
