Good to know

- Consult your CMT dealer at all times when you are not sure whether the CMT nitrile examination gloves are suitable for the application.
- The CMT examination gloves are counted based on average weight per dispenser

Usage instructions

1. Pull out the glove, with the other glove, at the fingertips .
2. Fold the gloves into a ball
3. Grasp the cuff of the first removed glove
4. Pull the second glove inside out over the first glove and discard the gloves.

Avoid contact with outside of gloves while taking of the gloves to prevent cross contamination as much as possible.
