

Breyta™

Comfort Seat Cushion

Features:

- Dual foam densities provide comfort and support, helping to reduce fatigue and discomfort caused by sitting for extended periods.
- Can be used to increase sitting height to promote ergonomic posture at your workstation, in the home or office.
- Discreetly hidden coccyx cut-out helps relieve pressure at the base of the spine.
- Built-in carry handle for easy transportation wherever you work.
- Base layer foam made from 93% pre-consumer recycled content. Top layer foam contains post-consumer recycled content from mattresses.
- Fabric cover fabric made from 100% post-consumer recycled polyester.
- Made in the UK and built to last with a 5-year extended warranty.
- Pending: Tested by FIRA International Ltd to comply with the ergonomic requirements set out in European Health and Safety Legislation: EN ISO 9241-5

Specification:

Code	100119850
Colour	Black
