Key Selling Points

- Freedom to work
- Round-the-clock efficiency
- On-call indicator
- Corded USB mode
- Communications platforms

Product Features

Freedom to work

Move freely between all your workspaces with this portable headset. Roam with ease with up to 50 m/164 ft of wireless range. Reduce background noise and control your conversations with Acoustic Fence technology.

Round-the-clock efficiency

Boost your productivity with continuous comfort, long hours of talk time, and connectivity to multiple devices. Extend your talk time by using the desktop charge stand or by using the headset in the corded USB mode.

On-call indicator

Give those around you a visual cue that you're busy - an on-call indicator flashes on the ear cup when you're on a call.

Corded USB mode

Extend the battery life of your headset by using it corded, with audio over USB mode.

Communications platforms

An IT manager's dream, this headset was created for communication and is optimized and certified to work with top virtual meeting providers.
