Marketing

Extended retailer text	<p>First impressions are only made once</p> <p>With better depth perception, a higher-definition image, and vibrant colours, the Teza 4K is all about what matters: showing you for you.</p> <p>Be a pro – in 4K</p>
-------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Serious work calls for a serious webcam. With a 4K UHD image tailored to high-quality business calls, your colleagues won't just hear what you have to say – they'll see it.

Full auto

Let the lens do all the work with autofocus, keeping you crisp and clear – so you can keep your mind on the task at hand and seal the deal.

Talk the talk

A built-in stereo dual microphone captures high-quality audio, picking up clear sound from multiple directions.

One webcam, one meeting room – no problem.

Accessories included

A tripod and attachable privacy shutter offer you control and stability. Plus, the included USB-A to USB-C adapter widens the webcam's potential, making it compatible with most laptops and PCs.
