- Flow stop function
- Easy introduction of capsules
- Drip tray height adjustable for any size cups and glasses (dishwasher safe)
- Automatic stand-by mode after 5 minutes

DOLCE GUSTO SYSTEM

15 bar pressure: The high pressure ensures an even distribution of water and pressure is delivered through the capsule to maximize the flavor extraction.

NEW FLOW STOP INTERFACE

To prepare your perfect beverage select the desired length moving the transparent lever and then choose between hot or cold temperature.

ENERGY SAVING FUNCTION

Thanks to the energy saving function the machine is automatically turned off after 5 mins of non use in order to reduce to consumption.
