11x AC EU Outlets

2x USB-C 15W

2x USB-A 15W

Overload Protection

15 in 1 European Multi Plug Extension

The Verbatim EU Power Tower can extend one European socket to 11 AC sockets plus two USB-C ports and two USB-A ports. This multiplug tower with its 2m extension cable provides all the sockets you need to keep your devices charged and working on full power.

The space-saving vertical design makes the Verbatim EU Power Tower ideal for home, kitchen, office, or school providing a neat and tidy desk surfaces or floor space.

The on/off switch on top of the tower controls the whole power tower allowing you to switch off all devices in one go when not in use to save energy.
