

ARTICLE DATA SHEET

edding 8880 deep hole construction pencil graphite

- Deep hole construction pencil in practical holster for precise marking on almost all materials like wood, metal, plastic, tiles and cardboard
- Extra robust aluminium barrel
- The long (42 mm) and thin (5.5 mm) mouthpiece makes the pencil even suitable for narrow or other hard-to-reach areas, e.g. drill holes or cut edges
- In the holster integrated sharpener for one-handed sharpening
- The replaceable lead has a diameter of 2.8 mm
- Ready-to-use product, universal graphite lead included
- Refillable with edding 8881 pencil refill leads, separately available (set of 6) in graphite and assorted colours for a variety of surfaces

✓ Highlights

- The long (42 mm) and thin (5.5 mm) mouthpiece makes the pencil suitable for narrow or other hard-to-reach areas, e.g. drill holes or cut edges
- Protective holster with practical clip to easily attach the pencil on (work) clothes, for ready-to-hand use of the pencil
- Push mechanism automatically pushes the lead forward
- Hexagonal shape of the barrel prevents rolling away
- Different leads allow permanent and non-permanent markings on different surfaces
- Durable and refillable product
- High-quality brand product

✚ Accessories

- Deep hole refill lead 8881 graphite 6pcs set (Art.No. 4-8881-6-112)
